Managing Chapters

What are chapters ?

Chapters are logical parts of a video file just like chapters in a book.

In a video file *chapter markers* are a time point with a label that can be directly accessed.

Video Software For Manage Chapters

The recommended format for saving video files **MP4** or **MKV**

Some Popular Video file Players

- VLC
- Windows media player
- Power DVD V15

File Creators / Converters

- MakeMKV
- Handbrake
- Drax
- Zilisoft

Questions

Demonstration of Tools

A decorative graphic consisting of several parallel white lines of varying lengths, slanted upwards from left to right, located in the bottom right corner of the slide.
